Hello, and welcome to the first IASS Newsletter. As we reach the end of another year please take a moment to read about some of the changes in the IASS Team alongside some helpful information

Staffing update

After many years at the helm of the Service Lorraine Parkes took a well deserved retirement. Becky Tuffield is now the Manager of the Service.

We have also said goodbye to one our fixed term Support Worker, Mandy Mills and our Support Officer, Kate Poyner. We have been lucky enough to keep Kate as she is now one of our Independent Volunteer Supporters!

We will be recruiting for our Support Officer Vacancy, if you are aware of anyone who would be suitable for the role please look out for the information in the New Year here: [Login \(engageats.co.uk\)](https://engageats.co.uk)

Keep calm and carry on!

The COVID 19 Pandemic brought with it new challenges for the service but we have maintained business as usual and utilised Microsoft Teams to ensure that direct support for families at meetings and paperwork has continued seamlessly. The team of Independent Volunteer Supporters have continued to give up their time, energy and expertise to support families throughout. Some face to face support has resumed but please give us plenty of notice to ensure availability of staff.

The Service is incredibly busy and with the current vacancy we are taking a little longer to get back to families than we would like, please bear with us, we will get to you and we thank you for your patience.
